## THE BUYERS GUIDE

GRAND OPENING

# CHRISTMAS

## WEDNESDAY. **DECEMBER 6, 1899.**

Is our Reception Day. From a bower of roses and palms a famous orchestra will discourse sweet music all day long.

Souvenirs of Flowers for all Lady Visitors! Everyone is cordially invited to attend this reception. 8 a. m. until 10 p. m. Wednesday, December 6th, 1899.

An intimate acquaintance with the good people of Mason and surrounding counties has taught me that "There is nothing too good for them," and I have brought to Maysville the most elegant stock of Holiday Furniture ever exhibited in any town of less than 100,000 inhabitants. In fact Eastern raveling men openly state that these goods would do credit to any city. Having spent seven months collecting this stock of novelties, during which time I have would do credit to any city. Having spent seven months collecting this stock of novelties, during which time I have searched all of America and part of Europe, I feel that searched all of America and part of Europe, I feel that I am entitled to some consideration at your hands. Not being of a very bashful nature I have no hesitancy in asking you for what I feel is due me, namely, that you take one day off and inspect this superb stock of Holiday Furiture and Novelties. I devoted seven months • gathering these novelties to Maysville; surely you can devote one day to an inspection of them. You will find that the time will pass pleasantly; delightful music will rest and sooth you when the eyes are tired feasting upon the beautiful novelties gathered, from many Eastern cities and foreign climes; sweet scented flowers will rest the mind while the tired body reclines in easy Turkish chairs; affable salesmen will answer all inquiries concerning quality and price without attempting to consummate a sale. Let it be distinctly understood that no attempt will be made to consummate a sale of any article upon this day. If you purchase it will be your own fault. No effort will be made to sell you, for this is our RECEPTION DAY, and we desire only what we ask, viz., YOUR PRESENCE.

Retrospective: A little less than two years ago we

appeared in your midst with a new plan---a new method of doing business. A cynical public and indignant competitors stood amazed when we announced our intention of selling Furniture and Farm Implements for cash at one price to all and that price just 10 per cent, above what the article cost in carload lots. We hoisted our 10-per-cent.for-cash flag and the fight was on. Competition was indignant over the fact that a stranger would dare to interfere with their old-time war profits. A cynical public doubted our integrity; friendly manufacturers doubted our ability to exist upon a profit of 10 per cent., and the battle

went merrily on

THE TRUTH IS MIGHTY >> AND WILL PREVAIL.

If there is a man, woman or child now today in five counties that does not know and realize that The Price Fighter is in Maysville and Brooksville selling Furniture and Machines at 10 per cent. profit I would like to have his photograph. The Price Fighter has fulfilled every promise, and defies anyone to deny this fact. Speak out now or torever afterwards hold your peace. Thanking you one and all for your many kind words said in my behalf, I remain your friend,
